

Class (Course Grouping) Breakdown

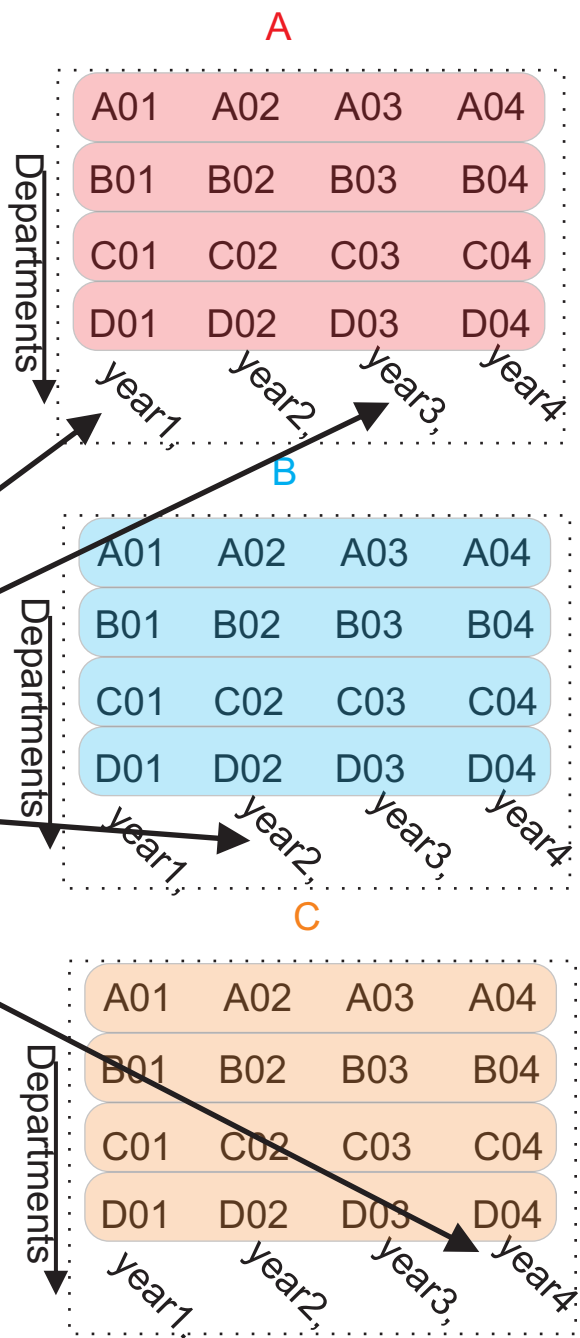

Desire:

All students should have a flat membership plan, but different classes.

A student subscribe, complete his profile details, all relevant courses for his class should be auto subscribed based on selected institution > faculty or school > department > Class.

In other word, to avoid too many plan displaying which may confuse users and difficult to sort,

single plan, all course groups or cohorts.

16 classes per department, 3 departments = 48 classes = 48 plans
